

Jesus is the only way that sinners can be saved. He said:

"I am the way, the truth, and the life: no one comes to the Father, except through me." (John 14:6).

If you do not believe Jesus then you make him out to be a liar and one day you will have to answer for that.

"Repent, and be baptized every one of you in the name of Jesus Christ, for the forgiveness of sins, and you will receive the gift of the Holy Spirit." (Acts 2:38).

Why does God say,
"The fool has said in his heart, There is no God." (Psalm 14:1)?

Because, to be able to say honestly "there is no God" without the possibility of being wrong, you would have to know everything about everything and within that knowledge you would have to know that there was no God. An honest person would have to admit that they do not know everything, and outside of the knowledge that they do have, there could be a God. This would make you an agnostic, not an atheist. What would you think of anyone who said that you did not exist, simply because they had never seen you or spoken to you? You would know that they were wrong and God knows every Atheist is wrong. Everyone who says God "does not exist" will be proven to be a liar on the day of judgement, and this will be their fate.

"All liars shall have their part in the lake which burns with fire and brimstone: which is the second death." (Revelation 21:8)

Dear reader, if you have ever believed in your heart that there was no God, or in any other God than the one who has a son called Jesus Christ, then you need to repent to avoid going to the lake of fire, which is commonly called Hell.

The good news is that God has made a way out for every one of us through the sacrifice of Jesus Christ on the cross:

"For God so loved the world that he gave his only begotten Son, that whoever believes in him should not perish, but have everlasting life." (John 3:16).

"Believe on the Lord Jesus Christ, and you will be saved." (Acts 16:31).
