Dear reader, the question on the front page is of the utmost importance, because if you have already committed the one sin that will guarantee your place in hell, you can do something to put that right today. You can change your eternal destination in a very short space of time, so please read on. There are many people in Hell who have committed different sins, but the one that will guarantee your place in Hell is to refuse Jesus Christ as you Lord and Saviour. The scripture declares,

"For all have sinned and come short of the glory of God." (Romans 3:23),

"If we say that we have not sinned, we make him (God) a liar, and his word is not in us." (1 John 1:10).

No matter how good you think you are, by God's standard even your unbelief makes you a sinner. Jesus said,

"When the Holy Spirit comes he will convict the world concerning sin ... because they do not believe in me." (John 16:8-9).

Every debt has to be paid for by somebody and every sin you have ever committed has to be

paid for also. The good news is that God has made a way out for every one of us through the sacrifice of Jesus Christ on the cross:

"He was wounded for our transgressions, he was bruised for our iniquities," (Isaiah 53:5)

"Who himself bore our sins in his own body on the tree, that we, having died to sins should live for righteousness," (1 Peter 2:24).

Dear reader, you can either pay the penalty of sin yourself in Hell, or you can accept the forgiveness of sins that Jesus Christ purchased for you, with his own blood, by believing in him.

"For God so loved the world that he gave his only begotten Son, that whoever believes in him should not perish, but have eternal life." (John 3:16).

"Believe on the Lord Jesus Christ, and you will be saved." (Acts 16:31).

Believing in Jesus means that you become a follower and disciple of his. You need to learn about him through the word of God (the bible) and start to conform your life to obey him and become like him. You will need to repent of your past sins, and be baptized:
